Aug 10 - 1896

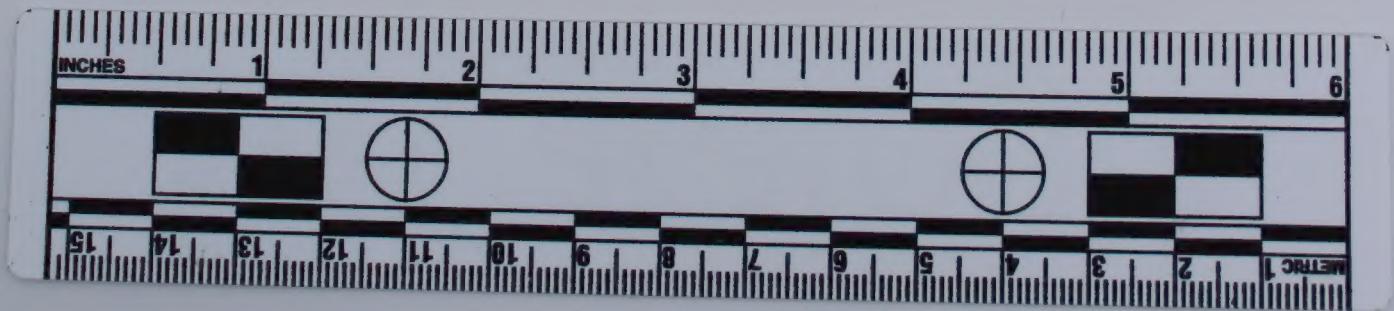

My Dear Daughter
I arrived
here an hour ago - 4 o'clock
having been sent for -
Baby lived 5 hours after
birth - it is a beautiful
boy. Sarah was in labor
8 hours or more and in
order to save her they took
it from her with instruments
Two physicians were
present. She is very low
and is still under the

so sorry for them. come if
you think best. you will
great trouble. It is now sunny
and we have had a dreadful
storm. Mother
Received your last

influence of chloroform
noted her son Archie
on her have slept some
last Thursday, baby
was born this morning at
seven - Mary is now away
arranging for the funeral
of Baby which will take
place early in the morning
Karah and Archie are
mourning and lamenting
awfully at the loss of
their dear baby - Mrs. Lomie
Mrs. Gray and Viola
Levitts and Archie were
with her all night and
she does not want Archie
out of her presence -
and wants to be with
her all the time

The Dr says the must
be kept very quiet.
Dennie has just come.
Baby has become already
very much discolored.
I wish you could be
here a few days to take
care of Sarah but
she says she would
like to have have you
but she cannot afford
to pay you wages and
then she might be
keeping you out of a
case while you are here.
The weather is extremely
warm: all of Tonies
are coming to night to
see baby - oh I am -
